

From the Stacks:

Webinars & Workshops for Agency Liaisons

Would you like to learn more about how to submit digital documents to Stacks? During the summer of 2009 we will hold a series of webinars and workshops to address some of the frequently asked questions about our digital repository. Our webinars will use either Wimba or the online program Tokbox and we'll also provide you with your own headset and microphone to use during the trainings!

We are also in the process of planning a Stacks Open House which will be held this summer at the Idaho Commission for Libraries in Boise. We look forward to working with you!

Visit our website for Stacks Frequently Asked Questions:

A Thank You to Stacks Participants

Thank you to our focus group members and all those who participated in our online tools survey! Nearly 100% of the state agency liaisons prefer using email as a communication tool and about two-thirds of you prefer webinars! Thank you so much for your ongoing participation in Stacks!

Average age of a website: 44 days (Library of Congress)
